## ABOUT RICARDO

Ricardo Caminha was born in the Halloween of 1992, in Florianópolis - Brazil. But the story really starts in 1996 when he was introduced to the Dance Music of that time. Laser focussed style, a smoky neon edge, and hard-hitting beats combine to create the cybernetic audio vortex that is Ricardo Caminha.

The Brazilian-born dance powerhouse has been drawn to the rock n' roll lifestyle of digital music production his whole life. With early aspirations to light up the stage with his music, Ricardo is living proof that dreams can come true.

Working his way up the clubbing ladder by performing live DJ sets for smaller clubs, Ricardo's music has since blazed across the festival circuit, lighting up hordes of fans with more than 20,000 dancing in front of his decks. Ricardo appears on a massive arsenal of collaborative hits. Solo or running in the pack, Ricardo's music is always guaranteed to deliver neon-soaked audio bliss.

Creating with an adrenaline-laced mix of devotion and addiction to his craft, Ricardo's audio weapons of choice are ever-expanding. Constantly morphing his repertoire, this world-class DJ packs an eclectic punch with Electro House, Future Bass, and Bass House. Creating music that is dark edged, fast-paced, and raw with power, Ricardo is always ready to burn it up, if you're ready to keep up.
